Dear Parents and Guardians,

Once again our entire school community, through the Changing Our World (COW) Project and WTPS Middle School Future Acts clubs, is conducting the **Helping Hands Super Bowl Sunday Hoagie Fundraiser**. This year’s proceeds will benefit families in our community who have incurred financial hardship due to dire medical circumstances. **Please visit [www.thecowproject.com](http://www.thecowproject.com) or go to <http://vimeo.com/34559218>**to learn more about this year’s recipients.

The **Super Bowl Hoagie Fundraiser** is a unique project that combines a **student community service** opportunity while simultaneously raising money for families in need. On Sunday, **February 5<sup>th</sup>**, at **six o’clock in the morning**, middle and high school students will join together to construct our 2ft Party Hoagies. Over a thousand residents will stop by the **High School Core** between **10:00 a.m.** and **2:00 p.m.** to pick up these freshly made pre-ordered hoagies. It is a project that unites the entire community with a common cause.

**We Need Your Support!** This sale offers our middle and high school students an opportunity to transform their heartfelt caring into purposeful action. Just as important, the self-satisfaction one receives when sacrificing for a cause greater than oneself cannot be measured. The students are asked to work as a team and to be diligent in their approach. There are no superstars, no trophies and no applause; only the confidence and appreciation they gain in knowing that they helped to **“make a difference.”**

While the proceeds given to each family help relieve some of the financial burdens they face, a collective community service project like this helps provide spiritual and emotional support that can’t be measured. And **YOU** can be a part of the team. It all starts here, with one hoagie order at a time.
